PROGRAM DESCRIPTION

This 19 week 475 hour program will allow the students the training to work in a Medical environment doing Medical Terminology, Billing and Coding. In addition, students will be prepared to take the Certified Coding Associate (CCA) which is an entry-level exam.

Course Components Include:

- Medical Terminology
- Anatomy and Physiology
- Insurance
- Billing and Coding
- (ICD 10 2014, CPT 2014)

The Medical Billing Program will give students the training to work in a medical environment such as hospitals, nursing homes and doctor’s offices.

**Must have a high school diploma or GED and must type a minimum of 30 words per minute.**
