Guide to Using the Student Wellness Program’s ebooks

The Student Wellness Program (SWP) has a collection of ebooks available for students through the library. To access the ebooks from campus or at home, please visit www.lackawanna.edu/library and scroll down to “Databases,” located on the left side of the page. Click on “ebrary.” You will be required to log in using your Portal username and password. See the pictures below for step-by-step instructions.
After logging in, you will see the Student Wellness Program (SWP) resources on the ebrary homepage.

To open the ebook, click on the cover.
Use the arrows to turn the ebook's pages.

If the text is too small for you to read, click on the zoom button. This will allow you to readjust the size of the page.

This is the ebook's table of contents. You can skip directly to a chapter you want to read by clicking on it.
To print, click on InfoTools and select print. You may print up to 60 pages, but not the whole ebook.

You may copy a sentence or paragraph from the ebook and paste it into your notes. First, select the text you want to copy and then click on InfoTools and select "Copy." Go to a Word document and right-click with your mouse and select "Paste." The text will appear in your document along with a citation.
