LACKAWANNA COLLEGE
COMMUNITY OPPORTUNITY SCHOLARSHIP
SCHOOL OF PETROLEUM AND NATURAL GAS

Description
The Lackawanna College Community Opportunity Scholarships were established in 2013 as part of the larger effort by the College to better serve students from the Northeast Pennsylvania region. These Lackawanna College sponsored scholarships will be awarded annually to students from communities surrounding all Lackawanna College locations. With these new scholarships, Lackawanna College hopes to afford local commuter students the opportunity to complete their academic aspirations without incurring the burden of student loans. This award will be granted annually the most deserving individual from the applicant pool.

Criteria
The Scholarship is awarded annually to one (1) graduating senior who desires an opportunity to achieve their academic goals beyond high school. Consideration for this award will include academic potential, past participation in both extracurricular and community service activities as well as other variables as best exemplified by the applicant. Each applicant will be asked to explain in their application essay: 1.) Why they are deserving of this award and 2.) How it will impact and/or assist their future plans.

All applicants must be accepted and fully processed as a Lackawanna College student and must have completed the FAFSA and other required financial aid paperwork by the application deadline in order to be eligible for the award.

Eligible candidates for the New Milford Center scholarship must have graduated from one of the following high schools: Blue Ridge, Elk Lake, Forest City, Lackawanna Trail, Montrose, Mountain View, PA Cyber School, Susquehanna and Tunkhannock.

Award
The actual amount of the award is the applicant’s tuition balance after all need based financial aid (grants only) have been applied to the student’s account. This scholarship is for fall and spring semester tuition only and is limited to two (2) academic years.

Application Procedure
Applicants must submit the application to the Lackawanna College School of Petroleum and Natural Gas along with required materials by the application deadline. Selected students will be notified shortly after the deadline.

Deadline
Application deadline for this scholarship is May 1.
