WELCOME TO THE COMMUNITY

Having, developing and maintaining a sense of community is key to insuring success and satisfaction in a residence hall. Along with a sense of belonging, elements of community include:

- Friendship and trust
- Cooperation, tolerance and respect of each others’ rights, possessions and cultural beliefs.
- Respect and care for the physical environment
- Conflict resolution
- Participation in planned programming and activities

You can contribute to the development of community in your dorm by:

- Working with your Dorm Representatives to plan and encourage social programs
- Establishing honest, open relationships with your roommates
- Participating in community activities
- Respecting the needs, likes and dislikes of others
- Participating in maintenance of a clean, comfortable and safe living arrangement

In addition to being considerate of fellow residents in the dorm, resident students must also maintain reasonable behavior in relation to the surrounding neighbors. To that end, the following behaviors are prohibited based on their inherent disruptive nature, and will be subject to fines and/or disciplinary action:

- Stereo speakers set in or near windows in order to amplify sound to the outdoors, or setup of stereo equipment outside of the dormitory.
- Screaming or yelling in hallways, stairwells, outside windows, etc.
- Congregating on surrounding walls of the dormitory and behaving in a loud, disruptive manner.

Lackawanna College Resident Code of Conduct

The Housing and Residence Life Department of Lackawanna College seeks to advance knowledge, both formal and informal, and create an environment that will allow all resident students to obtain their intellectual and personal goals.

In order to ensure these opportunities for all resident students, Lackawanna College will publish and enforce appropriate rules, regulations and policies and take action when violations of such rules, regulations and policies occur.

**RESIDENT STUDENT AWARD**
The Department of Housing and Residence Life offers the Resident Student Award. This honor is awarded to a student who demonstrates dedication and commitment to being a model resident student,
excelling in and out of the classroom. The College community takes great pride in the Resident Student Award to be awarded annually at Awards Night.

ROOMMATE RELATIONSHIPS
The relationship between roommates often influences a resident's satisfaction with college life. Some components of a positive roommate relationship include each resident's ability to express concern for the rights, needs, recognition and respect for another’s unique needs and lifestyles and the willingness to resolve conflict positively with the help of the Director or other college staff members.

Residents are expected to take primary responsibility for insuring the development and maintenance of a positive roommate relationship. Students are strongly encouraged to invest themselves fully in working together with roommates to resolve differences by speaking directly to roommates, sharing concerns, expressing feelings in an honest manner and jointly negotiating resolution to conflict.

On occasion, a resident will attempt to solve problems by talking to a roommate who is unresponsive. In other cases, a student may find it difficult to approach the roommate. In either situation, the student should seek the help of his/her Resident Director. Residence hall staff members can assist student’s express themselves to their roommates or assist in negotiating a living agreement.

ROOM CHANGES
Room assignment changes may be requested during the third full week of each semester and between the fall and spring semesters. A Room Change Request Form can be obtained from the Director of Housing and Residence Life, who must grant final approval. In extreme circumstances, a student will be permitted to make a room change outside of the room change periods. Residents may apply in November to be reassigned for the spring semester. These requests are filed in the Housing and Residence Life Office. A room change is generally not considered as the means to resolve roommate conflict. Changes will be considered only after residents have made a genuine attempt to resolve a conflict.

Exception: We do offer a one-time move during the first week of check-in. How it works: when you arrive if you find that you and your roommate are absolutely not fit to live together, you can find someone who is willing to switch rooms with you. The responsibility of finding another is COMPLETELY up to you. Once you have found someone willing to switch, you MUST see your dorm director to facilitate the room change (key changing, paperwork etc.). UNDER NO CIRCUMSTANCE can a change be made without notifying the hall director. All changes MUST BE made before the first day of classes.

PERSONAL SAFETY
Lackawanna College promotes campus safety and security in various ways:
- Through student education programs
- Residence hall staffing
- State-of-the-art security system
- Entrance doors to all residence halls are locked at all times for the security of the residents. Residents’ Student ID Cards serve as a swipe card for entry into the doors of the resident halls. Propping the door or tampering with the door or its locking system is an offense that can lead to residence hall expulsion.

In addition to these efforts, you must promote your own safety and the safety of others through your daily behavior. Specifically, you should:
- Lock your door at night and whenever you leave your room, even if only for a short time
- DO NOT lend your room key to anyone!
If you lose your room key (s), report it to a staff member as soon as possible
Report any unusual happenings to your Resident Director or a campus Public Safety Officer
Do not answer your room door without first identifying the person who is knocking
Report vandals or vandalism to your Resident Director or campus public safety officer
Remember that the Residence Hall is your home and treat it as such

To Prevent Theft:
- Never leave possessions such as laundry, books, etc. unattended
- If you have a car, keep it locked and store valuables out of sight
- Inform friends and family NOT to send you cash through the mail
- Keep your room locked at all times
- The college has supplied each resident with a lockable security box for important items such as credit cards, checkbooks, and phone cards. The use of any other locking security box is prohibited

LOSS OR DAMAGE: THE COLLEGE IS NOT RESPONSIBLE FOR STUDENT’S PROPERTY AND ENCOURAGES ALL STUDENTS TO CARRY APPROPRIATE PROPERTY INSURANCE. UNDER NO CIRCUMSTANCES SHALL THE COLLEGE BE LIABLE FOR ANY DAMAGE, THEFT OR LOSS OF THE PERSONAL PROPERTY OF A STUDENT.

FIRE SAFETY

Before a fire:
- Know the location of all fire alarm pull stations and the fire safety equipment on the floor
- Know the location of all exits throughout the building

Upon discovering Smoke or Flames:
- Notify your Resident Director or a public safety officer
- Vacate your room immediately; close the door (lock it if time permits)
- Vacate the building as quickly and safely as possible by the nearest exit. Keep fire doors closed and do not use elevators. Stay as low to the floor as possible. Move as far away from the building as possible.
- If you cannot leave your room, go to your window, pull up the shade and get the attention of the firemen, call 911 or shout for help.

Any student, who, in the College Dormitory, through smoking or use of prohibited items, or deliberate malice or neglect, causes the alarms to sound and the fire company to be dispatched to the residence hall, will be responsible for the fee levied by the fire department for the visit to the dormitory. Deliberately causing a fire alarm, with malicious intent, is a criminal offense, and the responsible student may be dismissed from the College. *(The fine levied by the Fire Department for a false alarm is presently $500.00 and is subject to change without notice.)*

Anyone present in a room where any of these violations are occurring is subject to the same level of sanction.

When exiting your room or common space, close the door to your room or common space. NO ONE IS ALLOWED TO REMAIN IN THE BUILDING EXCEPT ESSENTIAL PERSONNEL. GENERAL POLICIES, PROCEDURES AND INFORMATION

STUDENT GRIEVANCE POLICY/PROCEDURE

Lackawanna College has established a process for students to register complaints and share concerns and questions with appropriate College officials. The Student Affairs staff can advise students about the appropriate procedures to follow in resolving a general complaint or concern. Within three working days, the staff member to whom the complaint or concern is brought will respond to the student making the grievance. Each case will be handled individually and solutions can include, but are not limited to, solving the problem through informal channels up to and including filing formal charges.
Discrimination: Matters concerning alleged discrimination, especially in regard to race, color, sex, religion, ancestry, national origin, age or handicap, should be brought to the immediate attention of the College's Affirmative Action Officers, Dan LaMagna and/or Anita Cola.

Sexual Harassment: Sexual harassment is unwanted sexual or gender-based behavior that creates an environment that would reasonably be perceived, and is perceived by the victim, as hostile or abusive. It is the policy of Lackawanna College that sexual harassment is unacceptable and will not be tolerated. Students are encouraged to bring questions about sexual harassment to the attention of the Affirmative Action Officers, Dan LaMagna and/or Anita Cola.

Resolution of Student Complaints: The student should direct concerns to the staff member responsible for the area of concern. Students in doubt as to the appropriate staff member should seek the advice of a counselor or staff member. Depending on the nature of the concern, students can resolve problems by following the successive levels of review as indicated below. Students not satisfied with results at one level should go on to the next level.

If a situation concerns alleged discrimination where steps other than the normal level-to-level ones are required, department heads/directors will be contacted immediately by an Affirmative Action Officer.

AIDS POLICY
Present medical knowledge indicates that those suffering from the Acquired Immune Deficiency Syndrome (AIDS), as well as those individuals with a positive antibody test do not pose a health risk to the academic community. It has been clearly demonstrated through extensive research that there is no known risk during casual interpersonal contact with an infected person, including but not limited to, eating food handled by an infected person, being coughed or sneezed upon by an infected person, casual kissing, or swimming in a pool with an infected person.

Based on current information relative to AIDS, Lackawanna College has adopted the following guidelines in relation to students, faculty and staff:

Consideration of the existence of AIDS or a positive HIV antibody test should not be a part of our open admissions procedure for student applicants.
Lackawanna College will not undertake programs of screening newly admitted or continuing students. The presence of AIDS or a positive HIV antibody test should not preclude access to College facilities and classes. Students having the AIDS virus may participate in campus activities as their condition allows.
The primary responsibility of Lackawanna College with regard to AIDS is education. Current educational information about AIDS will be made available to all members of the Lackawanna College community through Student Affairs.

Lackawanna College is committed to the implementation of appropriate procedures to prevent the accidental transmission of HIV. The precautions outlined by the United States Public Health Service (Universal Precautions) will be undertaken for any occupational activities or programs of instruction, research or training in which there is a potential for exposure of individuals to the HIV virus.
If a known immuno-compromised employee or student engages in activities which, in the judgment of the College, appear to place others at risk, the College reserves the right to take corrective action. **INFECTIOUS DISEASE POLICY**

Lackawanna College recognizes that individuals employed or studying at our College may come into contact with an infectious disease, and therefore, realizes that policies and procedures are required in relation to infectious diseases. Infectious diseases include, but are not limited to, AIDS, meningitis (in all forms), hepatitis (in all forms), legionnaire’s disease (Legionella), Methicillin-resistant Staphylococcus aureus (MRSA), tuberculosis and many diseases of childhood.

To help prevent the spread of infectious disease on our campus, Lackawanna College would like to encourage all prospective students to avail themselves of vaccination against several infectious diseases that can occur in the college environment. We recommend vaccination for several of the diseases since there has been an increase in the transmission of these diseases, particularly on college campuses nationwide, throughout the past several years. It is our policy to assist in the education of our prospective students in order to protect the interests of our faculty, staff and students and make our environment as congenial, safe and equitable as possible. All College personnel will be educated regarding the utilization of "Universal Precautions" whenever these are deemed necessary.

Some of the vaccinations and immunizations available are those against several forms of hepatitis, meningitis and diseases considered diseases of childhood. (chicken pox, measles, mumps, and rubella).

Lackawanna College has a duty to provide and maintain a healthy and safe environment for all students, staff and others working at or visiting our sites. We have an obligation to minimize the risk to anyone in the College community of contracting an infectious disease. We are also committed to supporting and protecting our students, faculty and staff and others who have an infectious disease from discrimination and/or harassment. If, however, a known immuno-compromised employee or student engages in activities which, in the judgment of the College, appear to place others at risk, the College reserves the right to take corrective action. Lackawanna College recognizes that individuals have the right to privacy and confidentiality regarding their personal information. The College will ensure that processes are in place to protect this privacy.

**EMERGENCY NOTIFICATION AND/OR TIMELY WARNING**

Depending on the particular circumstances of the emergency and/or unusual event, especially in all situations that could pose an immediate threat to the Lackawanna College Community and individuals, the Department of Public Safety, with the concurrence with the Associate Vice President of Student
Affairs, may post a notice via electronic mailing to every student, staff and faculty member. The
electronic mailing is immediately accessible via computer by all students, staff and faculty. In addition, a
notice containing essential information will be forwarded to the College Community via a text messaging
system.

Presently, Lackawanna College is offering this service via the WENS system. Lackawanna College
created this service to notify its students in the case of an emergency and/or unusual event. In the event of
an emergency and/or unusual event, a text message will be sent to the mobile number and/or email of
record outlining the nature of the emergency. This is a free service provided by the College, however
normal text message fees may apply.

MISSING PERSONS POLICY
In the event a student is reported missing, the Director of Public Safety or his/her designee will notify the
Associate Vice President of Student Affairs, no later than 24 hours after receipt of the report. The listed
contact person(s) will be contacted and interviewed. An information form will be disseminated to
resident students prior to them assuming occupancy in the residence halls, and will be mandatory for all
resident students to complete the card. They will also be required to enter the contact information on the
student portal.

Commuter students are also required to submit the contact information via the student portal. If any
College official receives a report of a missing commuter student, they must immediately contact the
Department of Public Safety.

If a missing person report is received on a student under the age of 18, and he/she is not an emancipated
individual, the Associate Vice President of Student Affairs will immediately contact the student’s legal
 guardian upon receiving the information.

The Director of Public Safety will contact one, or more, of the following law enforcement agencies:
Scranton Police (570) 348-4141, or the Pennsylvania State Police- Dunmore Station ((570) 963-3156. The
initial contact will be to the appropriate jurisdictional authority, and the Director of Public Safety will
reserve the right to contact all of the above. The Director of Public Safety will also activate the College’s
internal emergency response team.

BACKGROUND CHECKS FOR RESIDENT STUDENTS
In order to continue to provide a safe living environment for all resident students, Lackawanna College
has established a policy that requires a background check to be conducted on all resident student
applicants. These background checks will provide the college with valuable information that will enable
our administration to identify previous criminal convictions that were committed by prospective students.
Certain convictions would restrict them from becoming part of our residential community. The college
has created a residence committee that will determine if any criminal convictions disqualify a student
from becoming a resident. A student who has been disqualified from housing eligibility will be notified
by the Dean of Students within seven business days. We hope this policy will provide a safer environment
for all students, as well as confidence in the fact that Lackawanna College is a proactive safety oriented
institution. Background checks will be conducted once a security deposit has been received.

SANCTIONS

Disciplinary action is based on the seriousness of the offense and the best interests of the College community. The sanction can include one or more of the following:

Warning: Oral or written statement that the student has violated the Student Code of Conduct and any imposed discipline.

Fines: Fines are penalty fees paid to the College. The amount is dependent upon the degree of policy infraction and is set by the College administration. Fines are not subject to negotiation and can be levied in addition to other sanctions and/or restitution.

Probation: Probation is a sanction that includes a period during which the student must demonstrate the ability to comply with the College’s rules and regulations, as well as any imposed sanctions. Length of the probationary period can vary from one year to the balance of the student’s tenure at the College, depending on the severity of the offense(s). While on probation, any further violation of College policy may result in dismissal from the College.

Housing Suspension: Exclusion from the resident housing and the general grounds or parking lots surrounding the resident housing, including activities sponsored or supervised by the housing staff.

Suspension from class: Permanent removal from class, without privilege of withdrawal from course.

College Dismissal: Indicates permanent dismissal from Lackawanna College. Student will be withdrawn from all enrolled courses by the College. The student will not be allowed to re-enroll at a future time. In accordance with federal and state regulations, all room and board payments will be forfeited.

Restitution: Restitution is reimbursement to the College for damage, destruction or misappropriation of property on College premises. When imposed, restitution will be made in addition to any previously defined sanctions. Restitution to other students can also be imposed.

Any disciplinary action may include additional stipulations (e.g. fines, community service, and/or rehabilitative procedures such as counseling).
Disciplinary records are confidential and are not released to anyone outside the College without written approval of the student involved. No information regarding disciplinary action is included on a student’s academic transcript. The Dean of Students may, at his/her discretion, release information on a student’s status to other College administrators when necessary for discharge of their duties. Copies of dismissal letters will be included in the student’s academic file.

**FIGHTING POLICY**

1. The third person who enters into a physical altercation may be dismissed from the College with appeal.
2. Students involved in a physical altercation that refuse to stop when instructed to do so by any College Official may be dismissed from the college with appeal.
3. Students who are an aggressor in a fight receive probation, one hundred dollar fine, and mandatory counseling. If any counseling sessions are missed, the student may be dismissed from the college with appeal.
4. A student on probation may not receive an appeal.

**DISMISSAL FROM COLLEGE**

**COLLEGE DISCIPLINE/DISMISSAL POLICY**

The Dean of Students is responsible for administering the Student Code of Conduct and for assessing all serious offenses and appeals in non-academic matters.

Any member of the College staff or administration may file a report against any student, student group, or student organization for alleged violation of the student code of conduct, residence hall regulations, alcohol policy, firearms policy, or any other written College policy on behavior. On-campus reports should be filed with the College Public Safety Office.

1. The person making the charge(s) will provide the following in writing:
   a. Date of the incident;
   b. Name of the student(s) involved;
   c. Specific College policy or regulation the student(s) allegedly violated.
   d. A statement of the circumstances;
   e. Name(s) of witnesses;
2. For routine offenses in the residence hall, College Public Safety Officers or Residence Life Staff may issue a citation at the time of the offense, outlining the violation(s). A fine letter will follow, by mail, from the Dean of Students. Fines cannot be altered or appealed, except by new evidence presented by the public safety department or residence hall staff.

For more serious offenses, especially those that may require disciplinary action beyond fines, the following will apply:

1. Upon receipt of an incident report, The Dean of Students or his/her designee will review the results of the investigation with the Associate Vice President for Student Affairs, the Director of Public Safety, and the Housing Staff. In situations where dismissal may be an option, that decision is made by the Executive Vice-President of the College.
2. A written notice of dismissal action by the Dean of Students will be issued to the student in the presence of a Public Safety Officer, along with a member of the Housing staff in the case of a resident student dismissal. Dismissal is effective immediately upon receipt of written notice.
3. Students dismissed from college for disciplinary reasons must vacate the dormitory as directed by college officials. If the dismissal is overturned through the appeal process, the student will be allowed to return to the dormitory. If the dismissal is upheld by the Judicial Board, the student is required to remove his/her belongings within 30 calendar days.
DISMISSAL APPEAL PROCESS
Students have the right to a formal judicial hearing before a designated judicial board to appeal dismissal. Students may waive this right when guilt is admitted or when they choose to accept dismissal as determined by the Executive Vice-President/Chief Academic Officer of the College.

1. Students wishing to appeal the dismissal decision must submit a written letter or email to the Dean of Students office within three business days of the notice of dismissal. This letter must be delivered personally to the Dean.
2. Upon receipt of the written request for a hearing, the Dean will notify the members of the College Judicial Board that a formal hearing must convene within three business days.
3. The student will be notified of the date, time and location of the hearing at least 48 hours in advance.
4. The membership of the Board will be as follows:
   a. one officer from the Student Government Association, based on availability, prioritized from highest to lowest officer;
   b. the Associate Dean of Students;
   c. Director of Public Safety or designee;
   d. one representative from the Business Office;
   e. Student Wellness Program staff or designee;
   f. The Associate Vice President of Academic Affairs or designee.
5. Two thirds of the Board must be available for a hearing to occur and a simple majority is necessary for the Board to make a decision. In the absence of Student Government Officers, other student leaders may be called upon.
6. The Dean of Students will serve as Chairperson of the Board but will not participate in the decision of the Board. The Dean will present the charges and evidence on behalf of the College or the individual making the charges. The Public Safety representative will likewise present the case but will not be a voting member of the Board.
7. The accused is entitled to be accompanied by a College faculty member, administrator, or fellow student whose role will be advisory in nature. No one outside of the College community may attend a Judicial Hearing.
8. A formal hearing includes opening and closing statements from the accused. Neither cell phones nor other electronic devices may be brought to the hearing. A student who attempts to utilize such phones or devices surreptitiously during an appeal hearing immediately forfeits his/her appeal rights.
9. Any party may present witnesses subject to the Board members’ determination of the witness’ relevance to the case. The members of the Board may ask questions of anyone involved in the proceedings.
10. If, for lack of sufficient reason as determined by the Board, an accused student fails to appear at the hearing, the Chair may conduct the hearing without the presence of the accused. If the absence is unexcused, the accused forfeits any right to appeal. No recommendation or imposition of sanction will be based solely on the failure of the accused to appear.
11. If the Board upholds the decision of the Executive Vice President, the accused will be notified of the decision immediately. He/she will be required to turn in all keys and ID and leave campus immediately. If the student is unable to remove his/her belongings at that time, the room will be inventoried and the belongings placed in storage. However, all belongings must be removed from college property within 30 calendar days of the appeal hearing. After that time, everything will be discarded. Arrangements must be made with the Office of Public Safety for pick-up during normal business hours.
12. The Chair will submit a written record of the Board’s decision to administration.
13. If the Board votes to overturn the Executive Vice President’s decision of dismissal, the College President has the right to modify or reverse the decision of the Board. In this event, if the President is available, he will make his decision immediately and the student will be informed of the outcome. Otherwise, the student will be notified of the outcome within 24 hours of the termination of the hearing.
14. If a student is dismissed from the College for a weapons possession offense, for use, positive testing for or possession of Phencyclidine (PCP), or because of circumstances where the safety of any member of the college community is at stake, there will be no appeal unless granted, on a case-by-case basis, by the President of the College or his/her designee.
15. Any affirmative action issues or appeals will be handled outside of the appeal process by one of the College’s Affirmative Action Officers.
16. In the event that a dismissal is overturned and the student is allowed to return, he/she must be in class for the next scheduled class. If this does not occur, all class absences incurred during the dismissal process will be counted as cuts.
   The decision of the Board is final and not subject to appeal except for circumstances of executive review.

NOTIFICATION OF PARENT OR GUARDIAN

The College encourages students to communicate on a regular basis with their parents or guardians. There are specific instances where the College reserves the option to notify a student’s parent or guardian for the benefits of the student’s wellbeing or educational progress. They are:
- The student, due to an illness or injury, is not able to make a decision regarding contacting his/her parents.
- The student is a potential threat to self or others.
- The student is transported to or admitted to a hospital or treatment center.
- The student is dismissed from the College.
- The student is arrested by the local or state authorities.
- The student is found in violation of the College alcohol or drug policy.

The decision to notify a parent or guardian will be at the discretion of the Dean of Students or the Director of Housing and Residence Life.

MEDICAL / PSYCHOLOGICAL SUSPENSION POLICY

The College Administration reserves the right to suspend/administratively withdraw a student from the College for medical/psychological reasons. Such reasons include:
- The student is deemed a potential threat to self or other persons, either within or outside the College community.
- The student has a contagious disease which, in the opinion of medical personnel, can transmit or inflict the illness to others on campus through normal daily contact.
- The student’s psychological state hinders his/her ability to achieve academic goals, interferes with the learning environment of others, or prevents living in an appropriate manner in campus housing.

This withdrawal applies, at minimum, for the remainder of the semester. However, the student may not re-enroll until documentation is received in the Student Affairs office concerning the student’s readiness to return. In all cases, this documentation must come from a licensed, board-certified professional actively involved in the treatment and care of the student, and must indicate that the student is able to become an active participant in the learning environment.

Further, it should be understood that, although the College will make an effort to provide a reasonable accommodation in appropriate circumstances, the College cannot care for students with serious psychological or medical conditions and therefore reserves the right to decide, in certain circumstances, that it cannot provide educational services or housing.
**ALCOHOL, TOBACCO & OTHER DRUGS POLICY**

No student, regardless of age, is permitted to consume and/or possess alcoholic beverages, tobacco or controlled substances on College premises or at College sponsored events. This is to include possession of alcoholic beverages, tobacco, or controlled substances by the student in the Resident Hall or elsewhere. Any and all items of this nature found in the possession of a student will be confiscated and destruction will be overseen by the Lackawanna College Public Safety department. In all cases, the College will pursue a course of action designed to promote the well-being of the student, protect the welfare of the college community, and demonstrate respect for federal and state laws. Behavior or misconduct resulting from the use or abuse of alcohol or illegal drugs by a student or group of students on or off campus is also a violation of the College’s Alcohol, Tobacco & Other Drugs Policy and may be subject to judicial action as well as any applicable sanctions under local, state, or federal law.

**LACKAWANNA COLLEGE DRUG TESTING POLICY**

Lackawanna College is dedicated to the health, welfare and safety of each student it serves. To this end, the College is committed to providing each of its resident students and student-athletes with a drug free environment in which to live, study and socialize. From a safety perspective, the use of drugs and/or alcohol may impair the well-being of these students and interfere with the resident’s living condition.

Therefore, since the College is responsible for the welfare of each student and specifically responsible to provide a residence environment free of hazards that would impede the resident student’s academic progress, the Lackawanna College Drug Testing Program has been implemented to provide a safe and healthful environment for all our students who live on campus.

For the purposes of this Drug Testing Policy, Controlled Substance shall be those substances prohibited by Pennsylvania’s Controlled Substance, Drug, device and Cosmetic Act, 35 P.S.§780-101,etseq.and particular Section 4 of the Act (35 P.S. §780-104) and Drug Paraphernalia shall be those products, materials, and equipment as defined in Section 2 of the Act (35 P.S. §780-102).

Every student making application for resident housing must sign a drug consent form prior to taking up residence on campus. A copy of the drug testing policy and procedure, as well as a testing consent form, is included in the packet of materials sent to prospective resident students. This form will stand for the student’s entire time of enrollment at the College. Drug testing is performed randomly on a year-round basis. Students will be tested at random intervals and for cause which may either be announced or unannounced. The testing will be required at the sole discretion of the College. There are no exceptions to this policy. All resident students will be required to comply. The student will be required to provide breath, blood, and saliva and/or urine specimens for the purpose of analysis. If the student is less than 18 years of age, the parent or legal guardian must sign the drug testing consent form in addition to the student. The signed consent must be returned to the College prior to the student’s arrival.

Each prospective resident student will be provided with a copy of the drug testing policy and procedure and a consent form. These materials are included in the packet of materials sent to prospective resident students and completion of the consent form is part of the required admission procedure. Applications for admission to the dormitory space cannot be processed without the signed consent form.

Students, who refuse to submit to drug testing, when requested by appropriate college administrators, will be expelled from the residence hall and the College, without benefit of appeal. Failure to produce a specimen within the standard collection time, as established by the collection agent, will be considered a refusal, as will leaving the facility at any time before providing the specimen. Further, if the student
supplies a specimen that does not meet the requirements of the vendor, it shall be deemed a refusal, resulting in dismissal.

A program of education on drug use and abuse will be provided to the students residing in each residence hall and will include, but not be limited to, discussion of the drug testing policy and distribution of educational materials concerning the abuse of illegal drugs and alcohol.

The College will include the policy and procedure for Drug Testing in the College catalog, the student handbook, Residence Life Handbooks and other pertinent College publications to ensure adequate notice and distribution. As stated previously, a copy of the policy and procedure will be mailed to each applicant at the time of application.

It must be understood that the College cannot protect an offender against any penalties of law. Law enforcement officers, when armed with proper documents, have a legal right to search any and all buildings and personal space on campus without prior notice.

**SMOKING POLICY**

The Surgeon General of the United States has determined that smoking is the largest preventable cause of illness and premature death in the country. Smoking is associated with the unnecessary death of More than 350,000 Americans a year. Moreover, a research finding now indicates that exposure to Environmental Tobacco Smoke (ETS), also known as second-hand smoke, is linked to a variety of negative health consequences and is responsible for approximately 3,000 lung cancer deaths annually among non-smokers in the US.

Smoking and the use of any tobacco products are prohibited inside all facilities/college buildings or vehicles owned, leased, or operated by Lackawanna College. **Smoking is the burning, lighting or use of a tobacco product and any other smoking device or equipment that includes, but is not limited to cigarettes, cigars, electronic cigarettes (e-cigarettes), hookahs, marijuana and pipes.** Smoking shall be permitted outside of buildings in designated areas only. This requirement prevents the migration of tobacco smoke into air intakes, assembly areas, building overhangs, entrances, exits, loading docks, porches, and other areas where non-smokers would have to pass.

All members of the Lackawanna community are encouraged to refrain from smoking while on campus. Smokeless tobacco usage is also prohibited. Violators will be fined $50.00 for each offense. Sanctions for violations of this policy will be in addition to any other related violation(s) of College policy, including athletic and resident life requirements.

GOOD SAMARITAN POLICY
In the event of a situation that is life-threatening or a danger to the community, students can report the incident without the fear of reprisal for the situation in which the student gives assistance. This refers to isolated incidents only and does not excuse or protect those who flagrantly or repeatedly violate College policy.

COLLEGE POLICY ON PHOTO/VIDEOTAPE POLICY
The Lackawanna College administration reserves the right to authorize persons to photograph/videotape activities and events on campus, at off-campus extension centers and places where College functions take place, providing such photographing/taping is performed and utilized without malice to any individuals.

Individuals desiring to be omitted from such photos/taping should make this request known to the College Public Relations Department in writing. By allowing inclusion of oneself in an authorized photograph/videotape, the individual consents without restriction to such use of the photo/videotape as the College deems appropriate.

SOCIAL MEDIA POLICY
• Lackawanna College believes that having a presence in social media will allow the College to communicate information and interact with the public on a daily basis. Current and future students, faculty, staff, alumni, and donors are utilizing media such as Facebook, Twitter, LinkedIn, YouTube, and many others to stay connected. In order to operate within these platforms effectively, Lackawanna College has developed a social media policy to ensure that any and all interactions on behalf of Lackawanna represent the College’s best interests.
• These guidelines are broad in nature to accommodate any differences in online venues while maintaining a universal code of conduct; the policy may need to be adjusted.
• The Lackawanna College Social Media Policy only applies to social media accounts created to represent Lackawanna groups, departments, programs, entities, etc. and does not apply to private individual accounts.

Lackawanna College Social Media accounts
• For a group to be recognized by the College as an official social media account the group must first seek and obtain official recognition from the College as an organization, and then the group’s administrators must seek approval from the Advancement Department.
• The Advancement Department will review all social media inquiries. This department should also be used as a resource for the college community for any social media needs. An appointed designee from the Advancement Department will make the final decision in any situation regarding the use of social media. The Advancement Department will set up any social media under the College’s main account if applicable.
• No user may establish social networking sites that use the Lackawanna College logo or other intellectual properties such as photography, video, artwork and publications copyrighted to the College without authorization from the College. It is a violation of social networking site policies to represent an institution without authorization.

Account Administrators
• All social media accounts officially recognized by Lackawanna College must have a Lackawanna faculty or staff member as an administrator at all times.
• Should a Lackawanna employee administrator of an account leave the College for any reason or no longer wishes to be an account administrator, it is that individual's direct supervisor's responsibility to designate another employee to be an account administrator prior to removing himself or herself from that role. The Advancement Department should be notified when a new administrator takes over.

• Lackawanna College employees identified as administrators of accounts are held responsible for managing and monitoring content of their officially recognized accounts. Administrators are responsible to remove content that may violate the College’s Conduct Policies.

Content

• Privacy does not exist in the world of social media. Consider what could happen if a post becomes widely known and how that may reflect both on the poster and the College. Search engines can turn up posts years after they are created, and comments can be forwarded or copied. If you wouldn't say it at a conference or to a member of the media, consider whether you should post it online. Use good ethical judgment and follow College policies and federal requirements, such as FERPA and HIPAA.

• Get the facts straight before posting them on social media. Review content for grammatical and spelling errors. This is especially important if posting on behalf of the College in any capacity.

• Representation of your personal opinions as being endorsed by the College or any of its organizations is strictly prohibited. You may not use the Lackawanna name to promote any opinion, product, cause, or political candidate.

• Do not post any content that could be deemed to be threatening, harassing, illegal, obscene, defamatory, slanderous, or hostile towards any individual or entity or information that is confidential and proprietary to the College or is a violation of intellectual property rights or privacy laws.

• Lackawanna has the right to remove any content for any reason, including but not limited to content that it deems threatening, harassing, illegal, obscene, a violation of intellectual property rights or privacy laws, or otherwise defamatory, slanderous or hostile.

• Be aware that a presence in the social media world is or easily can be made available to the public at large. This includes prospective students, current students, current employers and colleagues, and peers. Consider this before publishing to ensure the post will not alienate, harm, or provoke any of these groups.

• When using or posting online material that includes direct or paraphrased quotes, thoughts, ideas, photos, or videos, always include citations. Provide a link to the original material if applicable.

• Questions about this policy should be directed to Wendy Evans, Director of External Relations at 570-955-1456 or evansw@lackawanna.edu.

Consequences

• Violation of this Social Media Policy will result in discipline as outlined in the Student Handbook or the Employee Handbook, as applicable and willful violations could result in a range of penalties, including expulsion for students or termination for employees.

LACKAWANNA COLLEGE ATHLETIC PROGRAMS
ATHLETE CODE OF CONDUCT

Students who represent Lackawanna College in athletic competition are expected to:

• Understand that participation in intercollegiate athletics is a privilege, not a right.

• Demonstrate good citizenship, sportsmanship, honesty and integrity on the field or court, on the campus, in the classroom and in the community, and assist teammates in doing so as well. When traveling as official representatives of Lackawanna College to athletic competitions (including travel time to away contests), events and appearances, and any other event affiliated with the Athletic Department of
Lackawanna College, student-athletes’ actions should reflect favorably on the college, their team and themselves.

- Attend and be prepared for every class.
- Develop and follow an academic plan to obtain an associate’s degree, or attain a transfer status.
- Seek assistance from instructors and/or Academic Support Services before and/or when academic difficulties occur.
- Attend Study Hall, tutorial, and counseling sessions as required.
- Take responsibility for their own success. While Lackawanna College provides a variety of services, the ultimate responsibility for success lies within the student-athlete.
- Demonstrate and understand that participation in athletics is contingent upon adherence to all NJCAA, Region XIX and Lackawanna College rules and regulations.
- Acknowledge that any violation of the code will result in discipline as determined by the Head Coach and Athletic Director.
- Adhere to the Lackawanna College Policy regarding academic integrity and honesty.
- Maintain NJCAA minimum course hour requirements per semester of 12 credit hours and maintain an academic load that will ensure second season eligibility by passing 24 credit hours with at least a 2.00 GPA.
- Understand that the use of illegal and/or "performance enhancing" drugs is totally inconsistent with the purpose of intercollegiate athletics and creates a danger on the health and safety of student-athletes and their teammates. - Comply with the Student Code of Conduct published in the student handbook and the rules and regulations set forth in that manual.

RESIDENCE LIFE REGULATIONS POLICY
Highlighted below are regulations of particular concern to resident students. Violation of any of these policies can result in expulsion from the dormitory and/or the College.
This is not an all-inclusive list of rules and regulations! Additional regulations will be published as promulgated.

DRUG, ALCOHOL AND TOBACCO POLICY: No student, regardless of age, is permitted to consume and/or possess alcoholic beverages, tobacco or controlled substances on College premises or at
College sponsored events. This is to include possession of alcoholic beverages, tobacco, or controlled substances by the student in the Resident Hall or elsewhere. Any and all items of this nature found in the possession of a student will be confiscated by the Lackawanna College Public Safety department and in all cases, the College will pursue a course of action designed to promote the well-being of the student, protect the welfare of the college community, and demonstrate respect for federal and state laws. Behavior or misconduct resulting from the use or abuse of alcohol or illegal drugs by a student or group of students on or off campus is also a violation of the College’s Alcohol and Drug Policy and may be subject to judicial action as well as the applicable state or local law.

This is a part of the required admission procedure. Applications for admission to the dormitory space cannot be processed without the signed acknowledgement form. Each student will also receive a drug testing consent form. The signed consent must be returned to the College prior to the student’s arrival and acceptance as a resident student at Lackawanna College and will not be confirmed until the executed consent form is received and on file. Random health and safety inspections will be conducted at the discretion of the College. If a room is found to be in substandard condition, the student(s)/resident(s) will be given written notice and will have 24 hours to rectify the deficiencies. If this has not occurred, the College reserves the right to correct any and all deficiencies and charge the student(s)/resident(s) for all costs associated with the cleaning and/or repair. (The fine levied by the Fire Department for a false alarm is presently $500.00 and is subject to change without notice.)

- The student may not re-enroll until documentation is received in the Student Affairs office concerning the student’s readiness to return. In all cases, this documentation must come from a professional involved in the treatment and care of the student, and must indicate that the student is able to become an active participant in the learning environment.

STUDENT RESIDENCY POLICY

All full time students attending the Scranton campus who do not commute daily from the home of their parent(s), legal guardian(s) or spouse must reside in campus housing when they are actively enrolled in college courses. Commuting distance is defined as 30 miles from campus or less. This policy applies to any time of enrollment, including summer sessions and Interession.

Exceptions to this policy can only be made by the Associate Vice President of Student Affairs, and only under extreme circumstances. The decision of the Associate Vice President is final. To apply for an exception, the parent, legal guardian, or spouse needs to provide a notarized letter documenting that the student will in fact meet the criteria stated in the policy and lives within a reasonable commuting distance (defined as within 30 miles of the campus of attendance).

If the college is able to verify that a student is in fact violating the policy as stated or the conditions set forth in an approved exception, the student is subject to dismissal from the college and/or full charge for residence hall costs.
Non-Refundable Commitment Deposit: $355
Cost: $2,800 per semester, which includes digital cable TV services.
Utilities included.
Video security and keyless entry.
On-site parking, laundry facilities, community room

CRIMINAL HISTORY RECORD STANDARDS
As part of Lackawanna College Housing Application process, the College reserves the right to conduct a review of criminal history of all applicants. If the Criminal History Review reports that the applicant has a Criminal History, the information will then be evaluated according to the Lackawanna’s College Residence Life Criminal History Standards. If the applicant does not meet the standards, a declaration of “not eligible” will be made. This review will be conducted by Residence Life Review Team. Composition of this team will include the Associate Vice President for Student Affairs, The Dean of Students and the Director of Public Safety or their designees. An applicant who does not meet the standards will be notified by mail that his/her application has been rejected. The procedures for refund of the deposit and the appeal process will be explained in the letter.

The following information will provide the framework for The Residence Life Criminal History Standards:
No applicant, who have been arrested/convicted or is on parole or probation for the following offenses, will be considered for Residence Life:
Murder – Attempted Murder – Manslaughter – Sexual Assault – Aggravated or Simple Assault – Robbery – Riot – Violation of the Pennsylvania Uniform Firearm Act – Violations of The Controlled Substances, Drugs, Device, and Cosmetic Act (Act of 1972, P.L. 233, No. 64.) relating to sales, delivery and/or manufacturing – Kidnapping – Sexual offenses as listed in Chapter 31 of the Pennsylvania Crimes Code – Arson – Theft (Felony or Misdemeanor grade) – Conspiracy, Solicitation and Attempt to commit any of these crimes.
Please note that a conviction for the following crimes will be “without appeal”: Murder, Manslaughter, Sexual Assaults, Aggravated Assault, Riot, Kidnapping and Arson.
Criminal History Findings may also be used to modify the status of a student within the College’s Disciplinary System. Criminal History Findings which indicate that the applicant is pending further court action may result in the housing application being accepted but the student being placed on probation. Arrests for a simple possession of a controlled substance as found in The Controlled Substances, Drugs, Device, and Cosmetic Act (Act of 1972, P.L. 233, No. 64.) will be grounds for placing the student on probation.
Lackawanna College reserves the right to declare any applicant as “not eligible” based on a review of the applicant’s Criminal History which in the opinion of the Residence Life Review Team would not be in the best interest of the College Community and/or the applicant.
A student may appeal the finding of the Residence Life Review Team. This appeal process is found in the Lackawanna College Residence Life Appeal Procedure which is attached to this policy.

DORM NETWORK SETUP PROCEDURES

All resident students are provided with access to a high-speed Internet connection. Connection to this network is done at the students’ own risk. The College is not responsible for material viewed or downloaded by users. Lackawanna College is responsible for securing its network and computing systems in a reasonable and economically feasible way against unauthorized access or abuse while making it accessible for authorized and legitimate users. By using any of Lackawanna College’s electronic and technology resources, users consent to assume personal responsibility for their appropriate use and agree to adhere to all applicable college policies, local, state, federal, and international laws and regulations.

Equipment Needed:

Equipment needed for connection to the dorm network includes a Wireless Network Card or a Network Interface Card (NIC) with a Category 5 or 6 patch cable. Both items are available at the Campus Bookstore, though students may obtain these items elsewhere. Installation of the network card is completely the responsibility of the student. Check your owner’s manual before you purchase a network card. Most computers already have one factory installed.

Connecting to the Internet:

- If using a NIC, connect the patch cable from the NIC card jack on the back of your computer to the network jack in your room then turn the computer on. Network cards usually have LED light indicators showing the connection to the network. When your machine starts, you will see these indicators glow to show you have an active connection.
- If using a wireless connection, connect to public.lackawanna.edu.
- Open up an Internet browser. You will be prompted for your portal username (ex. firstname.lastname) and password. Please note that this is not your student ID number or entire falcons email address.
If you receive certificate errors: Open Internet Explorer- click Tools- click Internet Options- click the Advanced Tab. Scroll down to the last section (Security) and uncheck "Check for Server certificate revocation”. Click Apply and close then reopen Internet Explorer.

Security:
Users are responsible for maintaining the integrity of personal equipment connecting to the College’s network. Users are expected to purchase and maintain anti-virus software, such as Norton Anti-Virus, McAfee, Panda, Sophos and others. There are several free anti-virus programs available for personal use including Microsoft Security Essentials (http://www.microsoft.com/en-us/security_essentials/default.aspx) or AVG (http://free-avg.com). Installing anti-virus software and keeping your virus definitions up to date will protect your PC from damage and loss of valuable data.

Users are strongly encouraged to update and patch their Windows computers regularly on the Microsoft Windows update site. Microsoft “Patch Tuesday” is the second Tuesday of each month. Go to http://windowsupdate.microsoft.com for patch and update downloads. You will most likely need to restart your computer every time you install updates from Microsoft.

The high speed access to the World Wide Web is behind a Firewall server, and has been filtered to only allow connection through TCP/IP ports 80 and 443, which are the ports for standard and secure web access. All other TCP/IP ports have been blocked for your safety and protection. Viruses and hackers can and do use other TCP/IP ports to gain access to your computer, or to spread viruses. Another reason is to block the use of Peer to Peer file sharing networks which is a violation of the Federal Digital Millennium Copyright Act. Please refer to the Copyright Policy and Guidelines for further rules & regulations at http://www.lackawanna.edu/IT/policy.html.

Network users are responsible for all traffic originating from their network. Any attempts to read or monitor network information of others ("sniffing") is a violation of the privacy act. Repeat violations will result in the College disconnecting the device from the network. We reserve the right to monitor all network activity, incoming or outgoing, on the dorm network and on all computers internally tied to it. All Web usage is logged by default and can be traced to the machine.

Attempts by individuals to reconfigure the network infrastructure can result in damage to the infrastructure or severe network problems. Examples of this are extending the network with hubs-switches/repeaters, daisy chaining of wiring and the use of non-standard electronics and wiring. The connection and use of individual wireless “Wi-Fi” routers is strictly prohibited. Where damage is found to be caused by an individual, repair costs will be billed accordingly. When a user is encountering problems related to non-adherence to industry and/or Lackawanna College network standards by installing their own wiring and/or electronics, the user risks being removed from the network.

Remember, dorm network access is a privilege, not a right. Please use the privilege in a responsible manner, and you will be able to surf the Web with ease.

Support:
If you are experiencing any difficulties with your connection, contact support at support@lackawanna.edu, or call 570-504-1585 or 570-955-1464. Monday thru Friday from 8AM to 4PM. Evening support is available Sunday thru Thursday from 6PM to 10PM by contacting (570) 878-2930.
COPYRIGHT POLICIES AND GUIDELINES

Copyright is the right of an author, artist, composer, or other creator of a work of authorship to control the use of his/her work by others. Protection includes music, movies, software, and other literary and artistic works. Generally speaking, a copyrighted work may not be reproduced by others without the copyright owner’s permission.

It is the policy of Lackawanna College to respect the copyright protections given to authors, owners, and publishers under Federal law including the Digital Millennium Copyright Act. Willful infringement may subject a defender to discipline and can impact the privilege to use information technology resources at the College.

1. Copyright Guidelines
   • Copying, reproducing, or distributing copyrighted materials, such as files, software, music, movies, or games on college computing equipment without the proper license or the express written consent of the copyright holder is prohibited.
   • All copyrighted material is not denoted with a © symbol and users should not assume that it is. Prior to downloading a file, image, or any other type of media, users should obtain permission from the author unless the “fair use” doctrine clearly applies to the situation.
   • Acknowledging the source of copyrighted material does not substitute for obtaining permission.
   • The recording, film and software industries have become very aggressive in their active pursuit of copyright infringement. They have spent millions of dollars, and they have hired hi-tech firms to develop and maintain software that is able to search the Internet and identify unauthorized distribution of their protected titles.
   • The No Electronic Theft (NET) Act criminalizes sound recording copyright infringements regardless of whether there is financial gain.

2. Peer-to-Peer File Sharing
   • Peer-to-peer file sharing programs allow sharing of copyrighted music, movies, and software, often without the knowledge or consent of the user.
   • The use of Peer-to-Peer file sharing networks (KaZaA, Gnutella Morpheus, LimeWire, BitTorrent, GnuNucleus, Bearshare, Grokster, Aimster, iMesh) to share copyrighted material is a violation of the Federal Digital Millennium Copyright Act and is prohibited at Lackawanna College.
   • Law enforcement agencies, the Recording Industry Association of America (RIAA), the Motion Picture Association of America (MPAA), and other copyright holders of digital media actively monitor the Internet for users who are distributing copyrighted material. When violations are discovered, they contact the owner of the network on which the offending computer resides. To protect the college and the student, the computer will be removed from the network on receipt of a DCMA complaint.

3. “Fair Use” Guidelines
   There are certain circumstances under which it is permissible to reproduce or display copyrighted works without the permission of the copyright owner. These exceptions known as “fair use” are outlined in section 107 of the Copyright Act. When determining whether or not use falls under this exception, the following factors should be considered as defined in the “fair use” doctrine:
• The purpose and the character of the use, including whether it is for commercial or non-profit educational purposes
• The nature or type of the copyrighted material (periodical, film, book, etc.)
• The amount and substantiality of the portion used in relation to the whole
• The effect of the use on the potential market for or value of the copyrighted material

The Register of Copyrights on the General Revision of the U.S. Copyright Law cites the following examples of activities that courts have regarded as “fair use” in its 1961 report: “quotation of excerpts in a review or criticism for purposes of illustration or comment; quotation of short passages in a scholarly or technical work; for illustration or clarification of the author’s observations; use in a parody of some of the content of the work parodied; summary of an address or article, with brief quotations, in a news report; reproduction by a library of a portion of a work to replace part of a damaged copy; reproduction by a teacher or student of a small part of a work to illustrate a lesson; reproduction of a work in legislative or judicial proceedings or reports; incidental and fortuitous reproduction, in a newsreel or broadcast, of a work located in the scene of an event being reported.”

4. Preventing Illegal File Sharing
• Avoid using file-sharing programs. Lackawanna College strongly discourages the use of file-sharing programs due to the risk that files may be copyrighted. Many of these programs can turn a PC into a server even if it was not the users’ intent.
• Ports are blocked to help prevent file sharing networks.
• Use legal online sources such as Apple iTunes, AOL Music, Yahoo! Music, and YouTube.
• For further sources of legal online content go to:

COLLEGE MEAL PLAN

A Residential Meal Plan is an essential part of the dormitory life experience at Lackawanna College. Its implementation alleviates one of the concerns most students face while living away from home. This allows the student to concentrate solely on his or her studies and other activities associated with College life. Therefore, it is necessary to integrate this service into the requirements for all students living in our residence halls.

The cost of the meal plan is $1200 per semester (This charge is adjusted periodically.) This is an estimated cost which would allow the average student to purchase either breakfast or lunch and a dinner meal each weekday and either breakfast or lunch on Saturday and Sunday. When meal service is not available, a take-out lunch or dinner may be purchased from the cafeteria for future consumption or students may choose to eat at the many reasonably priced restaurants within walking distance of the Lackawanna College residence halls.

The meal plan money is deposited into a declining balance account held by the Food Service Provider. Each time a student purchases food from the cafeteria, the amount will be tallied and deducted from that individual student’s account. In order to purchase food in the cafeteria on the meal plan, the student MUST present his/her Lackawanna College photo identification card each time a purchase is made. The food service staff will provide information regarding each student’s balance upon request.

If a student meal plan account becomes depleted prior to the end of a semester, deposits in increments of $100 can be made to the meal plan account. All meal plan dollars must be used by the end of the designated period and will not be refunded.

THE COLLEGE REQUIRES ALL PAYMENT OF COLLEGE EXPENSES (to include, but not be limited to tuition, residence hall fees, meal plan payments, etc.) TO BE PAID IN FULL AND DOCUMENTED ON THE STUDENT’S ACCOUNT PRIOR TO THE FIRST DAY OF EACH SEMESTER. (Exceptions may be made on a case-by-case basis and are at the sole discretion of the business office). Failure to make payments will cause the student’s schedule to be placed on hold.

Any changes in a student's personal information, such as name, address, etc., must be submitted to the Registrar's Office on a COMPUTER CHANGE FORM. This will insure that the student’s records are properly updated. Legal documentation is required in order to process a change of name.

**STUDENT INFORMATION POLICY (FERPA)**

Annually, Lackawanna College informs students of The Family Educational Rights and Privacy Act of 1974. This act, with which the institution complies fully, was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the act.

A directory of educational records maintained on students in this institution is available at the Registrar's Office located on the first floor of the main campus.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

1. The right to inspect and review the student's educational records within 45 days of the day the College receives a request for the access.
• A student should submit to the Registrar, Vice President for Academic Affairs, Academic Division Chair or other appropriate official a written request that identifies the record(s) he/she wishes to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the College official to whom the request was submitted does not maintain the records, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's educational records whenever the student believes they are inaccurate or misleading.
   • Students may ask the College to amend the records that they believe are inaccurate or misleading. They should write the College official responsible for the record, clearly identifying the part of the record they want to change and specifying why it is inaccurate or misleading.
   • If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when he or she is notified of the right to a hearing.

3. The right to refuse disclosure of personally identifiable information contained in the student's education records except to the extent that FERPA authorizes disclosure without consent.
   • One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, research or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting a school official in performing his or her tasks.
   • A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Lackawanna College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW.
   Washington, D. C. 20202-4605

**Directory Information**

Lackawanna College hereby designates the following categories of student information as public or "Directory Information." The institution may disclose such information for any purpose at its discretion:

Category I: Name, address, telephone number, dates of attendance, class.
Category II: Previous institution(s) attended, major field of study, awards, honors, degree(s) conferred (including dates).

Currently enrolled students may withhold disclosure of any category of information under The Family Educational Rights and Privacy Act of 1974. To withhold disclosure, students must file written notification in the Registrar's Office. Forms requesting the withholding of Directory Information are available in the Registrar's Office.
Lackawanna College assumes that failure on the part of any student to specifically request the withholding of categories of Directory Information indicates approval for disclosure. Lackawanna College students may be assured that even with their permission, Directory Information is disclosed only on rare occasions. The policy of Lackawanna College allows the disclosure of such information to non-institutional personnel only for serious reasons and at the discretion of the person responsible for the student record involved.

COURTESY AND QUIET HOURS: All residents have the right to live in an environment that provides reasonable conditions for study and sleep. Mandatory courtesy and quiet hours have been established and will be posted. Courtesy hours are in effect twenty-four hours a day, seven days a week, while quiet hours cover specific evening hours. During courtesy hours students are expected to be considerate of the needs of others at all times and to comply with requests for maintaining a reasonable level of quiet. Quiet hours require that noise be reduced so that nothing can be heard from within the rooms when the doors are closed. Congregation of more than two residents in a hallway at any given time will be interpreted as violating this policy, and the violators will be subject to disciplinary action. Quiet hours will be posted in the residence halls. A twenty-four-hour quiet period is in effect prior to and during final exams. Disturbing noises during these hours will not be tolerated, and will subject the offender to discipline. These policies help make residence hall rooms suitable places to study. Other good places for studying include the Lackawanna College Library and Scranton Public Library (located across the street from the main academic building).

DAMAGES: Residents are responsible for their rooms and the furnishings therein, and the cost of any repair and replacement beyond ordinary wear. In the common area lounges, hallways, laundry room, etc, when direct responsibility cannot be placed, the cost of repair and replacement of damaged items is shared by all students living in and using these areas. The cost of damages will be billed to the student’s balance.

COMMON AREA DAMAGES: Replacement cost for the following items will be charged to residents who accept responsibility or to an entire floor or building. If items are missing or damaged and no student accepts responsibility for the loss, a Community Area Violation notice will be posted for Common Area damages. When damages occur in a common area, the entire floor/building will be charged at the end of the semester in which the damage took place. Costs will vary based upon severity and in which Residence Hall they occur.

The following is a guide and should not be interpreted as an all-inclusive list of repairs and replacement costs. Prices may not reflect any changes to actual cost, which may have occurred since the publication of this rate schedule.
