Learn:

- How much Social Security you and your spouse stand to receive over your joint lifetime
- Rules and guidelines for when spouses should apply for benefits
- How the decisions you make in your 60s can determine the amount of income you – or your surviving spouse – will have in your 80s and 90s
- How spouses with little or no prior earnings can take advantage of Social Security benefits
- How a little-known rule passed in 2000 has opened the door to creative spousal strategies and how a recent rule affects some of these
- What all higher-earning spouses should know about retirement and survivor benefits
- Two key things you need to know about Social Security survivor benefits
- How remarriage affects survivor benefits from a former spouse
- How to avoid mistakes at your Social Security office
