Empowerment Through Education.
Innovation Through Partnership.
Impact Through Generosity.

Dear Community Partner,

At Lackawanna College, we believe our region is strongest when education, business, and community come together with a shared commitment to its future.

That belief is at the heart of our inaugural **Community Impact Awards**— an evening created to celebrate the individuals, organizations, and businesses whose leadership, generosity, and vision are making a meaningful difference throughout our region.

But we want this evening to do more than celebrate impact. **We want it to create it.**

Proceeds from the Community Impact Awards will directly support Lackawanna College students by helping remove the barriers that can stand between them and a college degree. From scholarships and academic resources to mental health and other critical student supports, our goal is simple: give our students what they need to succeed, graduate, and become engaged members of our communities and workforce.

We are especially grateful to **Alliance Wealth Advisors**, our inaugural presenting sponsor, for believing in this vision and helping us bring it to life.

Now, we invite you to join us.

Your sponsorship is more than an investment in an evening. It is an investment in our students, our workforce, and the future of Northeast Pennsylvania.

Together, we can celebrate the people making an extraordinary impact today while creating opportunities for the people who will carry our region forward tomorrow.

We hope you will be part of it.

With gratitude,

Stephanie Decker
