

GED to Job Ready Program

Curriculum

This 22 week innovative training program offers students the opportunity to receive an industry recognized credential while working on the academic coursework of the GED. This provides an opportunity to graduate with two successful completions as well as jump start into a high priority occupation.

Students will work on GED coursework and Microsoft Office Excel, Accounting Principles and QuickBooks.

In addition, students will also receive job readiness training that includes Resume writing, Cover Letter, Job Search assistance and Interviewing Skills.
