

## LACKAWANNA COLLEGE ENVIRONMENTAL EDUCATION CENTER

**College Course For  
High School Students!**

### PRINCIPLES OF SUSTAINABILITY

***OPEN TO STUDENTS WHO HAVE COMPLETED  
SOPHOMORE YEAR IN HIGH SCHOOL***

**July 27 - August 7, 2020**

**MONDAY - FRIDAY**

**9 A.M. TO 2 P.M. COST: \$300**

Principles of Sustainability is a three-credit college course designed to introduce students to the concepts of sustainability, including examining current issues within our environment, society and the economy. Students will get hands-on experience exploring the feasibility of alternative energies with LCEEC's demonstrational solar panels and wind turbine. Students will also be encouraged to use systems thinking and problem-solving skills to gain a deeper understanding of the complexity of sustainability through activities such as developing a marketable product.

**Principles of Sustainability is the first course offered in the online Sustainable Leadership certificate.**

*Please send registration and payment to:*

**93 MacKenzie Rd.**

**Covington Twp., PA 18444**
